At the time of application, a family's **gross** monthly income cannot be more than the amount in the second orange column marked **Entry Level** for a family's group size. If approved for CDC, ongoing income eligibility ends if a family's gross monthly income increases to more than the amount in the column marked **Exit Level** for a family's group size.

Note: Family Contribution (FC) amounts have been **temporarily** waived for all children, regardless of their provider assignment. This change will be in effect November 7, 2021 (pay period 124), through September 24, 2022 (pay period 220).
